From PAC

Have a great idea to bring students together and make a positive impact at Sardis? Our Parent Advisory Council (PAC) is offering grants of up to $500 to support student-led group projects! Whether it's a school event, wellness activity, fundraiser, or community initiative, get creative and bring your ideas to life! Projects must be student-led, inclusive, achievable, and include a clear plan. Visit **sardissecondary.sd33.bc.ca/pac** for more information & to apply! Today is the deadline to apply!

Grads

Grad Auction: There are a few tickets still available to order for Sardis' Grad Auction happening on Thursday, November 26th but they are selling fast. If you have a Sardis student, you can add them to their Student QuickPay account. If neighbours or other community members would like to attend, tickets can be purchased at the office. If any students still have auction items, we ask that they be brought in to the office as soon as possible.

Grad Clothing

Grad clothing is open again for new orders until December 7th. This order will be ready to go in January and can be ordered at logogear.ca/sssgrad. Hoodies are $65 and pants are $45.

Volunteer

The Christmas Expo needs volunteers December 11-13th at Heritage Park. Only 10 spots available! Sign up in the Career Centre in B214 and earn volunteer hours!
