Principal's Report

Opening
Start-up has gone very well. The business of the year has settled now. We are getting into a strong rhythm. It has been great to see the grade 9's find their wings.

70th Birthday
Huge Success. Over 200 people attended. We had community, alumni and former staff. We had displays form department, musical and cheer performances, Drag car was out, culinary catered. The Perch was open for business. They made over $200 that night.

Grad
Grad meeting today. Staff covered financial awards and Capstone requirements with the students.

Grad events
Pumpkin patch was a big success. The Grads had a great time. We were told that they were the best grad group they have ever had. Future grad events have hard sign up deadlines because we need to have a hard number to the venue. Arcade night deadline to going Oct. 30th.

Grad wear store front is now open. First order has a deadline of Nov 8. This will allow for before winter break.

Family Conference
We have had a very strong turnout this year. We had the Perch open again for this event. We did this because it supports student work experience and provides them with an opportunity to work with the public and not just students.

DPAC Report (Reported by Tai W)

Great first meeting – Key topics to address
Opinion on Feeding Futures Program and Bowls for Hope – Food quality – Sharon and Karen reported great quality and healthy options – Soups filled with a lot more nutritious ingredient.
Dogwood is offering lots of Grants – for schools that are interested.
