Accessing Student Office 365 and SD33 Student Email

"Office 365" includes access to Office applications plus other productivity services that are enabled over the Internet (cloud services). Student access includes services such as Skype, Exchange, and additional online storage with OneDrive for Business.

Our districts Office 365 plan includes the desktop version of the latest Office applications. The fully installed applications include: Word, Excel, PowerPoint, OneNote, Outlook, Publisher, and Access. (Publisher and Access are available on PC only.) Students can install these applications across multiple devices, including PCs, Macs, Android tablets, Android phones, iPad, and iPhone.

Students can access these webapps with their existing SD33 login credentials and can download the latest version of The Microsoft Office Suite for home use at no cost!

- 1) Access Office 365 here: <https://login.microsoftonline.com/>
- 2) Login with existing SD33 credentials.
 - a. Students -> student#@sd33online.ca

The screenshot shows the Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed in a large, bold font. Underneath, there is a text input field containing the email address "studentnumber@sd33online.ca". Below the input field, there are two links: "No account? Create one!" and "Can't access your account?". At the bottom of the form, there are two buttons: a grey "Back" button and a blue "Next" button.

Timezone: UTC -08:00 Pacific Time
