

How to Use MyFlexLearning for Careers Day

How to login to MyFlexLearning App

1. Go to **ca.myflexlearning.com** and select **customer login** (use the weblink rather than the app). If signing up from a phone, students will need to hit the drop-down option and customer login will be an option.

2. Click on the Canadian Flag

3. Select the "Sign in with Microsoft" Option

4. The username and password will be the same as your SD33 login: ex: 12345@sd33online.ca and the password you have created.

How to Use MyFlexLearning for Careers Day

Finding a Class

1. Select Calendar or Select "View Schedule" on phone

2. Scroll through the calendar to the correct date (October 29th). It should look like this:

3. Click on "Session 1" to pull up the session options and select "Change Class"
4. Select the class offering you will be attending and select "Change Schedule"

How to Use MyFlexLearning for Careers Day

- Confirm that the information is correct, and then select “ok”.
