GRAD AUCTION

Our **grad auction** will take place on November 26th. Tickets are available through Student QuickPay for our families to use and community members are welcome to purchase a ticket at the office. Letters are available at the office or **online** for our students to bring to businesses in the community to request donations. Half of the money each item sells for will be added directly to your students account and half will go towards lowering grad fees for all students. Please have all auction donation items submitted to the office by November 12th to aid in our organization of the event.

GRAD WEAR

Our Grad clothing is now up and ready to order. Grads, if you're looking to get a grad hoodie or sweatpants you can now order online at **logogear.ca/sssgrad**. This round of orders will close on November 8th so if you're hoping to have your hoodie before Christmas, be sure to get your order in before then. We will open up orders again a few more times between the new year and the end of April so if you want to start saving, hoodies are $65 and sweatpants are $45 and there is a $10 fee if you'd like to have your name embroidered as well.
